## About Habitat for Humanity

### The Habitat Mission

Starkville Area Habitat for Humanity is a Christian organization that seeks to put God's love into action by building homes, communities, and hope. Starkville Area Habitat for Humanity is dedicated to eliminating substandard housing through the construction of new homes and by providing affordable mortgages to low income homeowners who need a better place to live and are willing to work hard to make a better life for their families. Habitat for Humanity was founded on the conviction that every man, woman, and child should have a simple, durable place to live in dignity and safety, and that decent shelter in decent communities should be a matter of conscience and action for all.

Through your participation in our annual golf classic you are helping us continue our mission. Together we have built 68 homes in the Starkville area since our affiliate was begun in 1986.

For additional information about how you can participate in our mission contact Joel Downey, Starkville Habitat Executive Director, at 662-324-7008.
